There is one characteristic that distinguishes effective leaders more than any other- their intentional effort to grow and develop their leadership daily. While most leadership training focuses on job knowledge and management skills, this course targets the practices and predictable behaviors of great leadership. This workshop overlays proven leadership principles with a clear path for developing the skills and abilities that will increase your leadership potential.

John C. Maxwell is the New York Times Bestselling author of *The 21 Irrefutable Laws of Leadership*. He is recognized as the world's foremost leadership expert by the American Management Association and Inc. Magazine. This TWO-DAY workshop, based on John Maxwell's best-selling books, *The 15 Invaluable Laws of Growth & Developing the Leader Within You*, will help you learn to grow and develop yourself to become the leader you were created to be.

### Who should attend?

All current and future leaders who aspire to better serve their employees, agency and community. This includes both newly promoted and established supervisors or managers searching for a well-rounded and applicable philosophy of leadership, as well as those in need of foundational training for a future leadership position.
