The **GUARDIAN LEADERSHIP Building Great Teams Workshop** provides **practical leadership training** on building great teams and guiding them towards success. This workshop will leave students with **valuable management skills** that can be applied immediately with noticeable results.

This hands-on workshop uses **case studies**, **group discussions**, and **interactive exercises** to teach:

- The five skills all great teams master
- Common team dysfunctions and how to eliminate them
- Techniques for improving accountability
- How to avoid decision paralysis
