About This Workshop

Developing leaders is the highest calling of leadership. While most leaders focus on creating followers, the best leaders focus on reproducing other leaders. Exceptional leaders understand that an organization's growth potential is directly related to its personnel potential. Long term success can only be achieved through developing other leaders.

During this interactive workshop, you will learn key concepts and proven principles for developing a team of leaders. You will discover ways to motivate, coach and mentor future leaders, multiplying your influence and expanding your organization's impact.

What You'll Learn

- The 5 Stages of People Development
- How to multiply your team's effectiveness with coaching and mentoring
- Proven strategies for motivating your team to higher performance
- Ways to identify, equip & develop future leaders
- How to foster the right environment for leadership growth
- How to build a successful leadership development program

The Guardian's Path

The Guardian's Path is a leadership training program designed to develop leaders at three levels: Self-Leadership, Team Leadership, and Organizational Leadership. The Guardian's Path consists of three courses:

- Developing the Leader Within
- Developing the Leaders Around You
- Developing a Culture of Leadership Excellence

Each course builds upon the other, aiding leaders in expanding their influence and impact.

Any individual who successfully completes **The Guardian's Path** will receive our signature **Guardian Leader Award**.
