About This Workshop

The success of your organization is largely determined by the culture you create. How do you build and sustain a great culture, or strengthen a culture that is lacking? The answer lies in leadership. Leadership is the single largest factor affecting organizational culture. Bad leadership substantially impacts how a work environment feels and operates.

During this interactive workshop, you will learn how to intentionally foster a positive culture that inspires and empowers team members to achieve organizational goals. This workshop demystifies the culture building process and provides you with a step by step method for creating an environment where trust flourishes, problems get solved and expectations are exceeded.

What You'll Learn

- The role and importance of organization culture
- The significance of environment in leadership development
- Strategies to enhance morale and inspire higher performance
- Three essential skills for cultivating a healthy organization
- The nine-step process for building a great culture

The Guardian's Path

The Guardian's Path is a leadership training program designed to develop leaders at three levels: Self-Leadership, Team Leadership, and Organizational Leadership. The Guardian's Path consists of three courses:

- Developing the Leader Within
- Developing the Leaders Around You
- Developing a Culture of Leadership Excellence

Each course builds upon the other, aiding leaders in expanding their influence and impact.

Any individual who successfully completes **The Guardian's Path** will receive our signature **Guardian Leader Award**.
