## About This Workshop

The key to improving your leadership is improving yourself. Great leaders distinguish themselves through superior self-leadership. Leading yourself is about having a sense of who you are, where you are going and the ability to influence your thinking, feelings and actions along the way. Developing the leader within will allow you to become a more positive and effective leader from the inside-out.

During this interactive workshop, you will learn key concepts and proven principles that will increase your influence, improve your personal effectiveness, and multiply your impact. You will discover ways to lead yourself and others more effectively, positively improving your life and the lives of those around you.

## What You'll Learn

- The 5 Levels of Leadership
- How to transition from positional leadership to true influence
- Key characteristics required to effectively lead yourself and others
- The importance of self-management and servanthood in leadership
- Ways to prioritize you time for maximum effectiveness
- How to achieve success through personal growth and development

## The Guardian's Path

The Guardian's Path is a leadership training program designed to develop leaders at three levels: Self-Leadership, Team Leadership, and Organizational Leadership. The Guardian's Path consists of three courses:

- **Developing the Leader Within**
- **Developing the Leaders Around You**
- **Developing a Culture of Leadership Excellence**

Each course builds upon the other, aiding leaders in expanding their influence and impact.

Any individual who successfully completes **The Guardian's Path** will receive our signature **Guardian Leader Award**.
