About This Workshop

Developing leaders is the highest calling of leadership. While most leaders focus on creating followers, the best leaders focus on reproducing other leaders. Exceptional leaders understand that an organization's growth potential is directly related to its personnel potential. Long term success can only be achieved through developing other leaders.

During this interactive workshop, you will learn key concepts and proven principles for developing a team of leaders. You will discover ways to motivate, coach and mentor future leaders, multiplying your influence and expanding your organization's impact.

What You'll Learn

- The fundamentals of leadership and management
- Critical thinking skills for effective problem solving and decision making
- The 5 major dysfunctions of teams and ways to overcome them
- How to multiply your team's effectiveness through coaching and mentoring
- Strategies to improve performance management for maximum engagement
- Proven methods for motivating your team to higher performance
- Ways to identify, equip and develop future leaders

The Guardian's Path

The Guardian's Path is a leadership training program designed to develop leaders at three levels: Self-Leadership, Team Leadership, and Organizational Leadership. The Guardian's Path consists of three courses:

- **Developing the Leader Within**
- **Developing the Leaders Around You**
- **Developing a Culture of Leadership Excellence**

Each course builds upon the other, aiding leaders in expanding their influence and impact.

Any individual who successfully completes **The Guardian's Path** will receive our signature **Guardian Leader Award**.
